

WHITNEY & MARSH, Ltd.

Sale of Trunks and Bags.

Commencing on Monday Morning, April 29th, and Lasting for Two Weeks we shall Hold a Most Extraordinary Sale of Trunks and Bags.

The Why of It

This is how it happens: Our New York Buyer not being cognizant of our limited space, when he saw a chance to buy for us a Carload of Trunks at a most enticing price, bought them and shipped them to us. Our Buyer's mistake is Your Gain; for we cannot keep the Trunks and Bags in our store—Haven't the room—so we are going to let you have a chance at them at Wholesale Prices. What you don't buy we have made arrangements to turn over to a Jobber, who will store them, and who will not sell them at retail; so it is probable that after this sale is over, you will not have another chance to buy Trunks and Bags at such figures for many a long day to come.

Only a Part of the Lot.

We have taken the Twelve Numbers Pictured in the accompanying cut and set forth the Prices of them with a little description of each. These are by no means all of the lines we have—only a Suggestion in Fact—but you can judge from them something about the Many Others. Remember These Prices include Free Delivery to Your Home, if you live in Honolulu; and to your steamer landing if your home is on one of the other islands.

A Comparison That is not Odious.

If you will Compare the Sale Prices with the Prices of Similar Articles at even such Bargain Stores as the Emporium and Golden Rule Bazaar of San Francisco, Cal., you will find that you are going to be able to Buy Trunks now and here at from One-half to Three-fourths of what you would Pay there.

The Truth

Candidly it is such an Opportunity comes Only Once in a Great Many Years and we hope you will not miss it.

How They Will be Sold.

On Friday, April 26th, there was no Trunk or Bag in Our Store. On Tuesday, April 24th, there will not be a Trunk or Bag in our store; for, as we said before, what you buy we shall have immediately removed. When you come into Our Store During the Sale, you will find a Line of Samples of all the Trunks and Bags comprised in the Carload. Every Sample is Marked in Plain Figures, with names and price. You select what you want and we will deliver a duplicate of it from the warehouse, free at your door. If you live on the Other Islands, we will Prepay all Freight Charges to your Nearest Landing.

Something to Ponder Over.

We earnestly trust that the fact that you are not going to take a trip soon, or that you have not the Ready Cash will not prevent you from taking Advantage of this Sale. Remember that when you do wish to Take a Trip, you may have to Pay from Two to Three Times as much for these Traveling Necessities as the Price which they are now Marked. If you have not the Ready Money Now and you are Known to Us, or can Furnish Satisfactory References, We will extend to you a Liberal Credit.
